Our services are further structured into four divisions, each specializing in distinct areas to ensure that we cater to every aspect of your requirements. With a commitment to excellence and a track record of delivering exceptional results, ADDMORE Services is your partner for success.

WHAT IS FF&E SOURCING?

In the context of interior design, architecture, and construction projects, FF&E (Furniture, Fixtures, and Equipment) refers to the movable items, furnishings, and equipment that are incorporated into a space to make it functional, comfortable, and aesthetically pleasing.

FF&E sourcing involves the procurement of these items from suppliers or manufacturers to fulfill the requirements of a project. This includes furniture such as chairs, tables, sofas, and beds; fixtures such as lighting, plumbing, and cabinetry; and equipment such as appliances, audiovisual systems, and technology devices.

ADDMORE FF&E SOURCING

In partnership with Simply More Stylish, ADDMORE Services offers comprehensive FF&E sourcing services tailored to meet the unique needs of interior design, architecture, and construction projects. Our collaborative approach combines ADDMORE's expertise in project management and procurement with Simply More Stylish's extensive network of suppliers and manufacturers, ensuring efficient and cost-effective sourcing solutions for our clients.
