ABOUT ADDMORE

ADDMORE SERVICES LLC is a professional technical services company for the architectural, engineering, and construction industry, offering services such as Engineering Drawings and ERP Solutions, Project Management, FF&E Sourcing and Consultancy, Quantity Takeoffs and Cost Management, Architectural Drawings, BIM Services and Renderings, F&B Hospitality Design and Consultancy, ADDMORE Outsourcing and ADDMORE Recruitment.

Headquartered in Las Vegas, Nevada, with a team of licensed architects, civil engineers and quantity surveyors in Manila and Cebu, Philippines, the company's key markets include the USA, Australia, UK, Republic of Ireland, UAE, and Kingdom of Saudi Arabia.

Our services are further structured into four divisions, each specializing in distinct areas to ensure that we cater to every aspect of your requirements. With a commitment to excellence and a track record of delivering exceptional results, ADDMORE Services is your partner for success.

ADDMORE X UMGG

At ADDMORE Services, we specialize in delivering precision and expertise in the stone industry. Our comprehensive solutions span stone tiling shop drawings, cutting and packing lists, bills of material, third-party inspections, QA/QC reports, and project management. We take pride in partnering with Universal Marble & Granite Group (UMGG) to enhance their renowned stone craftsmanship with our meticulous approach to project execution and quality assurance.

Our Partnership with UMGG: A Symbiosis of Expertise

Universal Marble & Granite Group Ltd. (UMGG), is a cornerstone in the architectural and decorative stone industry, with a legacy spanning over 30 years. As one of Mainland China's largest stone enterprises, their business encompasses mining, stone processing, decoration design, engineering construction, and stone industrial parks. ADDMORE Services complements UMGG's extensive capabilities by providing critical support to ensure their projects achieve the highest standards of quality and efficiency.

ADDMORE X UMGG

Our collaboration with UMGG enhances their project execution through a suite of services designed to meet the rigorous demands of the global stone industry.

1. Stone Tiling Shop Drawings

ADDMORE provides detailed shop drawings that serve as the blueprint for stone tiling, ensuring flawless integration within UMGG's architectural projects.

- Features:
 - Precise representation of stone layout.
 - Seamless communication among project stakeholders.
 - Minimization of on-site adjustments and errors.

2. Cutting and Packing Lists

Our cutting and packing lists streamline UMGG's stone processing and logistics, optimizing material usage and transportation.

- Features:
 - Detailed cutting instructions for efficient material use.
 - Organized packing lists for safe transport.
 - Clear guidance for on-site installation.

3. Bills of Material

ADDMORE's bills of material offer a comprehensive breakdown of the required stone, facilitating effective project planning and cost management for UMGG.

- Features:
 - Accurate material estimates.
 - Transparent budgeting and tracking.
 - Streamlined procurement and inventory management.

ADDMORE X UMGG

4. Third-Party Inspections

To uphold UMGG's reputation for excellence, we conduct independent inspections throughout the project lifecycle.

- Features:
 - Objective quality assessments.
 - Compliance with international standards.
 - Early issue identification and resolution.

5. QA/QC Reports

Our QA/QC reports provide systematic quality monitoring, supporting UMGG in delivering superior stone materials and craftsmanship.

- Features:
 - Continuous quality tracking.
 - Documentation of compliance and performance metrics.
 - Assurance of consistent quality throughout the project.

6. Project Management

ADDMORE oversees UMGG's projects from stone sourcing to installation, ensuring seamless coordination and execution.

- Features:
 - Comprehensive project oversight.
 - Effective risk management.
 - Timely delivery and successful outcomes.
