# WHAT IS FF&E SOURCING?

In the context of interior design, architecture, and construction projects, FF&E (Furniture, Fixtures, and Equipment) refers to the movable items, furnishings, and equipment that are incorporated into a space to make it functional, comfortable, and aesthetically pleasing.

FF&E sourcing involves the procurement of these items from suppliers or manufacturers to fulfill the requirements of a project. This includes furniture such as chairs, tables, sofas, and beds; fixtures such as lighting, plumbing, and cabinetry; and equipment such as appliances, audiovisual systems, and technology devices.
