## SAVE COSTS AND MANAGE MULTIPLE SUBMITTALS WITH DETAILED SHOP DRAWINGS

Residential, Commercial, Hospitality, Adaptive Use, Medical, and Casino Projects.

We are Technical Specialists in casework and furniture shop drawings, custom millwork drafting, dimensional stone and tiling, drafting, and cut sheets for fabrication.

We develop architectural plans into detailed shop drawings in 2D AutoCAD plans, including all required elevations, sections, and details for the submittals.

We provide for every drawing package a drawing register and a project matrix for multi-home projects serviced apartments and hotels.

We can be **your team partner** and **support your scalability requirements**.
