ADDMORE Four Divisions

ARCHITECTURAL, INTERIOR DESIGN AND
SHOP DRAWINGS

Our skilled and talented team of architects and engineers takes immense pride in delivering production house drafting in the form of meticulous and innovative architectural and interior design technical solutions for our clients.

- ARCHITECTURAL DRAWINGS

We prepare technically precise drawings, ensuring your concept and vision are communicated clearly and concisely.

- INTERIOR DESIGN

Our production house drafting team consists of interior designers, architects and engineers specializing in support drawing services.

- SHOP DRAWINGS

We create comprehensive, easy-to-follow shop drawings, allowing quick and efficient fabrication and installation on site.

PRE AND POST CONSTRUCTION QUANTITY SURVEYING AND ESTIMATING

Our experienced team of surveyors and estimators offers a comprehensive range of services to manage costs efficiently and facilitate smooth construction project execution, including:

- **COST ESTIMATION**

Our experts provide accurate cost estimations for your projects, enabling better budget planning and control over project finances.

- **BILL OF QUANTITIES (BOQ)**

We thoroughly prepare the BOQ to minimize discrepancies and facilitate a clear understanding of project scope, materials, and costs.

- **POST CONSTRUCTION ANALYSIS**

We review and analyze completed projects for lessons learned that can contribute to streamlining future projects and minimizing financial risk.

VIRTUAL STUDIO

ADDMORE Virtual Studio has been formed to provide end-to-end customized services & solutions to the AEC industry globally.

ADDMORE Virtual Studio offers 360° AEC Services for the entire lifecycle of the building.

- **2D TO 7D SERVICES**

ADDMORE Virtual Studio provides customized architectural drafting services and visualization from 2D to 7D as per requirement.

- **CO-ORDINATION & CLASH DETECTION**

Our customized clash reporting format, clash tracking system and accurate detection of clashes makes it one of the most desired services.

- **LASER SCAN TO BIM**

Depending on the project and the use of BIM on the project, we optimize the level of detail in which the point cloud information is converted to Revit.

- **FAMILY CREATION**

We create, extract, standardize & manage BIM content including 2D Drafting Details, 3D Components, Project files, Furniture, and more.

BUSINESS PROCESS OUTSOURCING
